

**TAXONOMY COURSE OF MOLLUSCS - BENTACS**  
**BENthos TAXonomy CourseS**

*Stazione Zoologica Anton Dohrn, Naples, 09 – 13 June 2025*

**APPLICATION FORM**

Please fill this form and renaming it with your name and surname.  
Then send it and your Curriculum Vitae as attachments by e-mail to [motax@szn.it](mailto:motax@szn.it).

**Applications** should arrive not later than **31 March**

**Acceptance** will be notified within **15 April**

**Registration** and **payment** from selected participants are due by **30 April**

**1) Personal data**

Name:

Nationality:

Date of birth:

Institute:

Institute Address

Telephone:

E-mail:

**2) Present position and duties**

**3) Research**

What are your current research projects and how much taxonomy do they involve?

**4) Practical experience**

The course includes a considerable amount of time (more than 50%) dedicated to the examination of molluscs specimens by light microscopy and it is recommended for researchers who already have a good familiarity with the identification of bentic species.

Please provide a clear description of your experience in taxonomy and identification of molluscs (e.g.: How many years of experience do you have? Do you have experience in some specific families or genera?).

**5) Languages**

Mother tongue: 

English:

**6) Why are you applying for the course and how will you benefit from it?**

We would like you to address – amongst others – the following points:

- Are you currently involved in programs requiring specific knowledge of molluscs?
- Will you have the possibility to spread the gained informations among other people in your group/institution and how?
- Are you involved in teaching activities (e.g.: university, advanced training)?

**7)** Please provide name and address of 1-2 referees familiar with your professional achievements

**8)** Curriculum Vitae (attached)
