
Marine organisms Taxonomy: foundation of an integrated national level service to support EMBRC infrastructure
European Marine Biological Resource Centre

Stazione Zoologica Anton Dohrn Villa Comunale, Naples
October 26-27 2016

Conference room October 26

- 9:30** Participants registration and *welcome coffee* (**Fresco room**)
- 10:00** Welcome and opening remarks - *Roberto Danovaro, President SZN*
- 10:30** Taxonomy, biodiversity and marine ecosystems functioning - *Nando Boero, UNI Salento*
- 11:15** Bibliography and Taxonomy: the Biblio-Hydro database - *Cinzia Gravili, UNI Salento*
- 11:30** The MARE outpost and the coastal biodiversity inventory of Tricase coast - *Valerio Micaroni, Francesca Strano, Davide Di Franco e Anna Berti, UNI Salento*
- 11:45** Opportunity in EMBRC framework: The integrated services - *Wiebe Kooistra, SZN*
- 12:30** Lunch (**Fresco room**)
- 14:30** The role of the Italian Federation of Natural and Environment Sciences: a reasoned taxonomy of resources - *Enrico Alleva, UNI Sapienza Roma*
- 15:00** Marine Organism taxonomy at SZN between research and service: foundation of the **Marine Organisms Taxonomy (MOTax) Service** – *Roberto Danovaro, President SZN*
- 15:15** The Nagoya protocol in marine environment: ***The Naples declaration*** – Application of the Nagoya protocol for the *Benefit-Sharing* of the marine genetic resources - *Silvio Greco, Ministero Ambiente.*

Signature of the Naples Declaration

16:00 Thematic tables:

- TT1 Role of the Taxonomy service between research and e productive system: *From the theoretical organization to the practical realization.* (**Foyer** – Chairman Fabrizio Vecchi, SZN)
- TT2 Role of the Taxonomy service in education: *Contribution to growth of the marine taxonomist community.* (**Reinhard Dohrn room** – Chairman Stefano Piraino, UNI Salento)
- TT3 Role of the Taxonomy service in study and conservation of marine biodiversity: *Fostering the creation of a taxonomist and marine taxa experts network.* (**Conference room** - Chairman Gianni Russo, UNI Parthenope Napoli)

17:00 Coffee Break (**Fresco room**)

17:30- 19:30 Thematic tables

20:00 Dinner (**Fresco Room**)

Conference room October 27

9:30 Thematic tables report (20 min each) and discussion

10:30 Coffee Break (**Fresco room**)

11:00 Round table (proposals; conclusions)

13:00 End of workshop

In the Conference room foyer will be staged the exhibition
“The taxonomy at *Stazione Zoologica*: historical heritage and science”
Organized by the MAB Unit (Museum, Archives, Library) of SZN
