

Chiara Bacchiani

Born in Urbino (Italy) on 27/08/1998

E-mail: chiara.bacchiani@szn.it

Current Position: Research Fellow

Current Affiliation: Stazione Zoologica Anton Dohrn (SZN) - National Institute of Biology, Ecology and Marine Biotechnology Integrative Marine Ecology Department Sicily Marine Centre - Villa Pace - Contrada Porticatello 29, cap 98167 Messina (Italy)

Education/Training/Experience

Institute and Location	Degree / Function	Year	Field of Study
Stazione Zoologica Anton Dohrn, Sicily Marine Centre, Messina, Italy	Research fellowship	2025 - 2026	Monitoring of recreational fishing in Sicily, Calabria, Basilicata and Campania within the framework of the research agreement between the Stazione Zoologica Anton Dohrn and ISPRA.
University of Ancona, Department of Environmental Life Sciences, Ancona, Italy	Master	2021- 2025	Marine Biology
Fondazione Cetacea Onlus, Riccione, Italy	Traineeship	2022	Sea turtle behavioural monitoring in rehabilitation area and managing nesting sites for <i>Caretta caretta</i>
University of Ancona, Department of Environmental Life Sciences, Ancona, Italy	Bachelor	2017-2021	Biological sciences
University of Ancona, Department of Environmental Life Sciences, Ancona, Italy	Traineeship	2020	Stomach content analysis and stable isotope analysis of <i>Scyliorhinus canicula</i> and <i>Myliobatis aquila</i>

Appointments and awards

2024-2025: Involved in the project “National Biodiversity Future Center”

- Spoke 2 - ST1.1.5.5 “Cephalopods biodiversity”.
- Spoke 2 - ST1.1.7 “Toward an integrated observing and modelling approach for pelagic nektonic biodiversity, ecosystem functions and services

2024: Involved in the project “CIAO MARE: Cephalopod Integrated Analysis to identify the impact of marine Environmental pollution”.

2023: Involved in the project “Rete 3 Golfi- 3G” Rete integrata per il monitoraggio e la produzione di un modello regionale di gestione delle risorse e degli ecosistemi marini nei golfi di Castellamare, Patti e Catania.
